

Dear EJTA-Colleagues,

In May 2020 I will step down as President of the European Journalism Training Association. This means that EJTA will have a vacancy for this position. At the AGM in Barcelona we decided that the future president will join the Board in July 2019 in the position of Vice-President so that she or he will have the opportunity to learn about the full range of tasks and responsibilities of the presidency. After the first year of serving in the Board she or he will take over the position of President of the European Journalism Training Association for a minimum of two years and - if reelected - for a maximum of six years.

The Board would like those who wish to apply for this position to write a short bio and motivation to [n.drok@windesheim.nl](mailto:n.drok@windesheim.nl) before the end of 2018. As it is essential that the institute you are working for supports your candidacy, it is recommended that you include a letter of support from your manager, dean, rector or anyone else that is in charge in your institute.

For information or consultation about the vacancy you can contact me at the above mail address. Please don't hesitate to do so.

Yours truly,

On behalf of the Board of EJTA,

Nico Drok

President
