

EUfactcheck.eu continues as an online platform for EJTA member schools to publish their student publications and continue the professional conversation about journalism education, esp. in journalism research and factchecking.

=> *EUfactcheck editorial team*

Cross-national cooperation and intercultural exchange is materialised in a yearly **EUfactcheck Lab** (Blended Intensive Programme). Each year another EJTA school hosts this ‘intensive week’ and decides on a topic, preferably connected to an EJTA topic.
