EJTA AGM 2025, JUBILEE & SYMPOSIUM IN UTRECHT

© *Pepijn Kouwenberg*

We want to say once more this was a fantastically well organised, a super interesting and a warm, cooperative and hope-giving EJTA AGM, Jubilee and Symposium. There aren't enough words to express EJTA's gratitude to the coordinating colleagues from Utrecht UAS: Carien Touwen and Elvira van Noort & their team. Some of the elements never to forget: the success of the new 'EJTA connects' infomarket, the cozy Wednesday evening with a jazz combo, the beautiful EJTA lounge with fantastic coffee, the sustainable merchandise, the super efficient timeschedule, the historical Jubilee, the amazing boat trip and dinner on Thursday and the intriguing Friday keynote & round tables on 'Rethink, Reboot, Report'.

In the following paragraphs you learn where to find more input from the different parts of the event's programme.

EJTA AGM 2025

If you couldn't join us, but want to know what was said and decided during the EJTA AGM 2025, you can find the AGM Minutes and the Report from the President and Director from [EJTA AGM Utrecht 2025 Conference Presentations](#).

EJTA AGM 2025: NEW MEMBERS 2026

During the AGM we unanimously welcomed and warmly applauded FIVE new members in our 'family' and network:

- Journalism School of Lille (ESJ), France
- University of Seville, Spain
- Jagiellonian University, Krakow, Poland
- Cyprus University of Technology, Limassol
- University of Galway, Ireland.

We're enthusiastically looking forward to their active input, to sharing ideas with each other and to meeting new colleagues live.

EJTA PREMEETINGS: FOCUS GROUPS

For more information on the activities of the six focus groups on Wednesday 15 October, we refer to the AGM Minutes (item 7: reports), to the [EJTA website](#) where you can find the presentations and conclusions, and to the EJTA LinkedIn closed group where we hope the inspiring discussions will continue.

EJTA 35 YEARS' JUBILEE

If you want to reminisce or relive the warm, familiar and grateful atmosphere during

the EJTA Jubilee in which quite some ‘special guests’ (former board members and supporters) participated, do watch [the slideshow](#).

Moreover, lots of colleagues and friends who couldn’t be present sent EJTA their [congratulations](#).

And of course a big “thank you” goes to Nico Drok, our former President and hard-working volunteer many years before and after his presidency, who gave us a lot of food for thought in his [speech](#).

EJTA SYMPOSIUM IN UTRECHT ON 17 OCTOBER 2025

The keynote speech by Yael De Haan and the reports of the round table conversations can also be found at [the EJTA website](#).

EJTA CERTIFICATES AFTER UTRECHT

Most of the members present received an official EJTA membership certificate in

Utrecht, to decorate their own office, the school's international office, or maybe their living room or bedroom.

If your institution wasn't present, don't worry: the EJTA office will soon send you a certificate per mail.

If you forgot to take it from Utrecht: send a mail to info@ejta.eu.

EJTA PRESS RELEASE AFTER UTRECHT

The EJTA Board wrote a [press release](#) after the AGM in Utrecht, for all our members to be used for internal or external communication about our association, our goals, strategy and future plans.

We've published it on the website, because we want everybody to feel free to use the full text or parts of it. We count on your journalistic ethics not to change the text and to stick to the original message and context.

Some photographs are added as well, if you use them: do mention © Pepijn Kouwenberg.

And if you need the original photographs: please ask the EJTA office: info@ejta.eu.

If you have any questions about this press release, please address them to EJTA director: director@ejta.eu.

TEACHERS' TRAINING TARTU MAY 2026

The next EJTA live event will be the EJTA Teachers' Training, organised by the University of Tartu, Estonia on 20-22 May 2026 within the theme 'Beyond the Deadline: Teaching the Happiness of Journalism'.

The colleagues from Tartu already created a [very attractive website](#) where you can find info on the preliminary programme / travel & accommodation / Erasmus administration / call for papers & participation. Registration for this event will open soon.

Follow the updates on LinkedIn and on the EJTA website.
